FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions applied to amendment:

- There will not be a sufficient number of misdemeanor prosecutions for state or local government to experience any significant increase in revenue or expenditures.
- A small increase in cases in the court system will result in additional state and local government expenditures for processing the cases and additional state and local government revenue from fees, taxes and costs collected. These expenditures and revenue are estimated to be not significant.
- Requiring all proceeds to be transmitted to the Tennessee Council of the Blind will not have a significant fiscal impact on state or local government.
